White Wine

Soft gold with a hint of green colour in the glass. Aromas of grapefruit and nectarine develop into a full, rich, yet elegant palate with varietal chardonnay flavours, a complex creamy texture and long finish.

Red Wine

Vibrant deep red in colour with purple hues. This wine exhibits lifed aromas of blueberries, blackberries and dark plums overlain with lifed anise and smoky oak. Full, round and soft, this wine shows excellent depth across the palate, balanced with good acidity and fine, long tannins.
